

TONOPAH MINING CO.

DECLARES 25c DIVIDEND

At the annual meeting of the Tonopah Mining Company, held in Philadelphia last week, a dividend of 25 cents a share was declared. It was expected that a 50 cent dividend would be paid, but in view of the unsettled condition of the money market it was considered wise to adopt the more conservative course. The report on operations in the mine shows a very satisfactory condition. Ore sales during the year amounted to \$1,566,293.59, and more than \$83,000 in ore was placed on the dumps, making the total production of ore \$1,649,892.59. The cost of milling amounted to \$502,647.74, making the net earnings for mining \$1,147,244.85. During the fiscal year the company paid \$1,300,000 in dividends and the surplus was increased \$308,446. The total surplus is \$3,195,329.94.—Tonopah Miner.

MORMONS CLOSE OUT

Confirmatory of the report given out some time ago that the Mormon church has decided to retire from business, is the announcement made by the Desert News that the church has sold the Grass Creek coal mines near Coleville for \$300,000. The purchasers are said to be Denver and Pennsylvania capitalists, represented by Colonel C. D. Moore, H. H. Mason and J. R. Letcher. The purchase includes six miles of railroad, by which the mines are connected with the Park City branch of the Union Pacific.

Henry Woods and wife were arrivals on this morning's train.

Vigorous Styles for Young Men

There is a vast difference between the clothing requirements of the YOUNG MAN and those of his elders. He likes a certain indefinable breeze and snap to his apparel that is in keeping with his vigorous spirits and his pure and unrestricted enjoyment of life. That we bear these points in mind when serving the younger element of the trade is the principal cause for our great success among them. The designers, cutters and tailors of the

CONTINENTAL TAILORING COMPANY, Chicago

for whom we are exclusive representatives in this territory, are constantly studying the requirements of the young man (as we have just described them), and if you are seeking such service at reasonable prices, you can do no better than to pay us a visit. We carry their complete line on display, comprising over 4000 different patterns in the latest foreign and domestic wools.
